(1) The villages in the Agency tracts specified in Schedule I (annexed).

(2) The rest of the Presidency with the exception of the Nilgiris district excluding the Gudalur taluk and the Attappadi valley of the Malabar district.

(3) The Banganapalle State.

2 Tree-tapping licences shall be issued on the application—

(a) of licensed toddy shopkeepers in areas in which the toddy shops are sold by auction or licensed separately;

(b) of persons having the exclusive privilege of manufacture and supply of coconut arrack;

(c) of tappers on their own application in the South Kanara district provided that the application for licence is accompanied by an application for a permit for the transport of the toddy drawn to some particular shop and that the latter application is countersigned or acknowledged to be correct by the shopkeeper to whose shop the toddy is to be taken;

(d) of tree-owners generally, and of sweet-toddy tappers in the villages of the Agency tracts specified in Schedule I, in the East Godavari district, in the West Godavari district, in the Repalle and Bapatla taluks of the Guntur district and in the Kavali, Atmakur, Nellore and Kanigiri taluks of the Nellore district, for not more than five trees in the case of tree-owners and three trees in the case of sweet-toddy tappers for the drawing of toddy required for domestic consumption, but not for sale;

(e) of toddy shopkeepers or renters in the Mysore territory and in the Banganapalle State desiring to obtain toddy from trees growing in British territory;

(f) of toddy shopkeepers in the Pudukottai State desiring to obtain toddy from trees in British territory provided that the application is certified or countersigned by the Satt and Abkari Inspector of the State, and of toddy renters in the Cochin State; and

(g) of any member of a hill tribe whether a tree-owner or not residing in Sirumalai, Adiyaman, Madhaveraya and Madhaviraya villages of Vaniyambadi taluk or in any of the villages of the Vaniyambadi district specified in Schedule II for not more than five trees for each household for domestic consumption, but not for sale.

In cases (b), (d) and (e) the licences may be issued in the name of the applicant himself or of his manager, and in cases (a), (c), (f) and (g) in the name of the applicant only.

3. Persons wishing to apply for the grant of tree-tapping licences must first pay the fees (or the first instalment thereof, as the case may be) due on account of the trees which they desire to tap, into a Government treasury, which may be either the district treasury or a taluk treasury. Divisional officers may also empower heads of villages to receive payment on account of tree-tax and to grant receipts therefor. In the case of persons mentioned in rule 2 (a) and (c) the tree-tax must be paid into a Government treasury of the taluk in which the shop is situated or in an authorized village council in the same taluk, and the renters concerned should affix a declaration to the applications to the effect that they have obtained a licence, permanent or temporary, for a shop specifying also the name and number of the shop for which trees are to be marked. The shop licences should be produced before village munsifs in cases where the applicant or any one on his behalf presents to these officers. Pudukottai renters, when applying for trees in British territory, must pay the full tree-tax into a British treasury at the rates prevailing in British territory.

4 (1) Applications for the grant of tree-tapping licences must be made in the prescribed form to the Inspector, Excise Department, in charge of the circle in which the trees are situated. Forms may be obtained from the Inspectors of the Excise Department and from all Tahsildars and Deputy Tahsildars and will be supplied free of charge. Applications must bear a court-fee stamp of one rupee. In any case, if the fees have been paid into a treasury, the application must contain a certificate of payment from the treasury officer, if payment has been made to a village head, the receipt must accompany the application. Mysore renters and shopkeepers applying for trees in British territory should pay the tree-tax into the Mysore Amildar's treasury and should present before the British Taluk list an Deputy Tahsildar concerned, along with the application in form T.T. 3, the receipt with the Amildar's certificate at the foot to the effect that the applicant is a person entitled to take out a tree-tapping licence in Mysore. Applications from Mysore renters for licences for the tapping of trees in villages in the British territory in which there are trees belonging to Government should invariably be got countersigned by the village headman of the village in which the trees are situated in token of the correctness of the entries concerning the ownership of the trees. The tree-tax should be calculated at the higher rate of the rates are not the same on the two sides of the frontier.

(2) Applications for tree-tapping licences in the South Kanara district should be countersigned by the owner or person in possession of the trees intended to be marked in token of his consent.

5 Toddy shopkeepers in tracts adjoining the Mysore territory will also be allowed to tap trees in Mysore for the supply of toddy to their shops on payment of the whole of the tree-tax in one instalment into the British treasuries of the Madras Government and subject to such restrictions regarding permits, etc., as may be prescribed in this behalf. The rate of tree-tax to be paid in such cases will invariably be the higher rate in force, if the rate is not the same on the two sides of the frontier.

The British and Mysore Governments reserve to themselves the right to impose, in addition to the tree-tax, a rent for the use of trees belonging to them, the rents when imposed being payable by British and Mysore licensees alike. The arrangements agreed to by the Madras and the Mysore Governments with regard to the issue of licences for tapping trees in either territory on the application of licencees or shopkeepers in the other do not prevent the reservation of trees in any specified area in the Madras Presidency or in Mysore with a view to afford relief thereto or for other sufficient reason and the mere payment of tree-tax into a British or Mysore treasury does not entitle an applicant to tapping licences for trees so reserved.

6. (1) Toddy shopkeepers in British territory adjoining the Banganapalle State will be allowed to tap trees in the State on payment of tree-tax into the Kadhiri Sub-Treasury, the rate being the same as in the Kurnool district. Toddy shopkeepers in Banganapalle State will be allowed to tap trees in the adjoining British territory on payment of tree-tax in the treasury of the taluk in which the trees stand. Toddy shopkeepers in British territory adjoining the Pudukottai State will be allowed to tap trees in that State on payment of tree-tax to that State at the higher of the rates prevailing on both sides of the frontier.

(2) Toddy shopkeepers in British territory adjoining Cochin State may be allowed to tap trees in that State on payment of full tree-tax in that State at the higher of the rates prevailing on both sides of the frontier.

A Cochin State renter applying for trees in British territory must pay full tree-tax in one instalment at the higher of the rates prevailing on both sides of the frontier, into a British treasury, and present to the British Tahsildar or Deputy Tahsildar concerned an application which must be certified or countersigned by the Circle Inspector of the division within whose jurisdiction the shop is situated. The British Circle Inspector to whom the application is forwarded shall have discretion to refuse to comply with an application either wholly or in part. The currency of the licences and permits issued by the British Circle Inspector shall correspond with the periods for which licences for tapping are granted under the tree-tapping rules in force in the Cochin State. The licences and permits issued in the State renter by the British Inspector shall be liable to suspension or cancellation at the request of the Cochin State Excise officer.

7. Persons applying for the issue of licences will be responsible to Government for all sums payable as tree-tax on account of the trees licensed to be tapped.

8. (1) Unless there are special reasons for refusing to mark the trees, the Inspector on receipt of an application will at once take steps for the marking of the trees by an officer of rank not lower than a Sub-Inspector and for the issue of the licence. The Inspector may also at his discretion refuse to comply with an application either wholly or in part, if he considers that the trees applied for are in excess of the legitimate demand of the shop. Applicants for trees shall point out to the marking officer, when required by the latter to do so, the trees applied for by them. Should they fail to do so after reasonable notice the fees paid by them shall be liable to be forfeited at the Collector's discretion.

(2) In the East Godavari district, in the West Godavari district, in the Ongole and Bapatla taluks of the Guntur district, in the Kovur, Atmakur, Nellore and Kavur taluks of the Nellore district and in the villages of the Agency tracts specified in Schedule I, trees intended for the drawing of fermented toddy and those for the drawing of sweet toddy shall, as far as possible, be in separate topes or blocks.

9. Collectors may, from time to time, prescribe the minimum number of trees to be entered in an original application. They may also direct that the trees situated in one village only shall be included in an application.

10. Toddy shall not be drawn from any toddy tree nor shall any pot be attached to any toddy tree until the tree has been marked by the proper officer.

11. For palmyra and date trees in the Presidency and for Bassia Latifolia trees in South Kanara, tree-tapping licence shall be annual, that is, in force from 1st October or any subsequent date to the 30th September immediately following and for cocoanut and sago trees they shall be half-yearly, that is, in force from 1st October or any subsequent date to the 31st March immediately following and from 1st April or any subsequent date to the 30th September immediately following, except in the case of the trees which have been illegally tapped, as which the full tree-tax may be levied.

2. The wood has been classified according to the classes noted above. Intending tenderers are advised to inspect in advance the lots put up for sale, but they must accept the classification made in the depot as final.

3. Tenders should be superscribed "Tender for sandalwood" and sent by insured post to the Conservator of Forests, Salem Circle, Salem (Madras Presidency), so as to reach him on or before 11 a.m. on Monday, the 15th July 1940, on which date tenders will be opened.

4. Each tender should be accompanied by an earnest money deposit of Rs. 1,000 in the form of a bank draft on the Imperial Bank of India, Salem, in favour of the Conservator of Forests, Salem, from any branch of the Imperial Bank of India. Currency notes should not be enclosed. A receipted Madras Government treasury chalan for the amount will also be accepted. This amount will be retained as security for the fulfilment of the conditions 7 and 8 infra.

5. Each tender must specify the rate at so much per ton of 2,240 lb. for each lot of sandalwood desired, both in figures and in words. No tender for part of a lot will be accepted.

6. Earnest money deposits of unsuccessful tenderers will be returned immediately after the tenders are disposed of, and that of successful tenderers will be adjusted against the third instalment of the purchase money.

7. Each tenderer if his tendered rate for any particular lot is accepted by the Conservator of Forests, Salem Circle, Salem, will be furnished with a memorandum showing the total amount due from him. He shall remit 25 per cent of this money, into any of the Government treasuries in the Revenue district of North Arcot or into the Imperial Bank of India at Vellore or Madras or the Reserve Bank of India, Madras, within seven days from the date of receipt of the memorandum and another 25 per cent before the 15th August 1940, the balance 50 per cent less the earnest money deposit referred to in paragraph 4 above being paid on or before the 14th September 1940, or against delivery whichever is earlier. Should any successful tenderer fail to make the necessary remittances by the due dates, the money already remitted will lapse to Government and the District Forest Officer, Vellore West division, Tiruppattur, North Arcot district, will be at liberty to resell the wood in question at the risk of the successful tenderer who shall be liable for any loss, but shall not participate in any profit which may arise by the resale.

8. After 50 per cent of the entire sale value has been paid to the credit of the Forest Department, delivery of sandalwood shall be made to the successful tenderer, provided that until full payment has been made, a quantity of wood equivalent to 25 per cent of the full sale value shall remain unremoved but paid for.

The delivery will be by full lots at a time and no lot will be delivered by portions.

9. On the successful tenderer's presenting chalans in proof that 50 per cent of the entire sale value has been paid a proportion of the wood purchased will be weighed in his or his agent's presence and the quantity handed over to him as provided for in condition 8 supra. If, however, proof is produced that the entire sale value has been paid, the whole sandalwood purchased will be weighed and handed over. The successful tenderer must take delivery of and remove the whole of the wood sold to him on or before the 15th October 1940.

Should any excess over the quantity paid for be found in the quantity purchased when weighing at the time of delivery, the excess will be paid for by the successful tenderer at the rate at which it was originally purchased, before effecting removal. If any one successful tenderer has purchased more than one lot or class and if there is any excess in one lot or class and defect in the other when weighing at the time of delivery on a particular day, the value of the defect noticed, calculated at the rate at which the main lot or class was sold will be adjusted towards the value of excess quantity noticed in the other lot or class as the case may be, and the balance, if any, still due from the successful tenderer will be collected before permitting him to remove the quantity delivered during the day. If, however, the net quantity delivered results in a defect on account of drugs over the recorded quantity at the time of tender, the value of the defect quantity at the tendered rate will be refunded in due course.

10. The successful tenderers, when deputing their agents to take delivery, must furnish each agent with a power-of-attorney duly stamped and bearing the signature of the person so deputed. A copy of the power-of-attorney must also be sent to the District Forest Officer, Vellore West division, Tiruppattur, North Arcot, by post with four specimen signatures of the agent. Failing these delivery may be refused pending verification in which case the delay will count against the successful tenderer.

11. No further cleaning or classification of sandalwood will be undertaken by the Forest Department, nor will tenderers be allowed to clean any wood previous to weighment. The classification, cleaning and weighment as determined by the Forest Department must be accepted.

19. After the wood has once been weighed and handed over, if the successful tenderer fails to remove all the wood within the verdah allowed in clause 9, demurrage will be charged at the rate of Re. 2 *per* ton per diem from the last date fixed for the delivery until the wood is finally removed.

13. No sandalwood shall be removed from the depot till a licence to remove it signed by the officer of the Forest Department, who delivered the wood, shall have been obtained and till every piece of sandalwood that can be stamped has been stamped with the district "Sale Hammer."

14. The successful tenderer shall bear the cost of taking delivery of the sandalwood. The depot contractor will supply the required labour for taking delivery of the wood. No person other than those supplied by the contractor will be allowed to enter in the depot premises.

15. The tenderer should give at least seven days' notice of his intention to take delivery, to the District Forest Officer, Vellore West, Tiruppattur, supported by Bank remittance in token of payment. No delivery may be made on holidays.

16. The wood purchased by each successful tenderer shall be in the depot at his risk from the date of acceptance of tender until it is removed.

17. The Conservator of Forests, Salem Circle, Salem, reserves the right to accept or to reject any tender without assigning any reason.

18. Further particulars can be had on application to the District Forest Officer, Vellore West division, Tiruppattur, North Arcot district.
